Notes:

1. Only includes households assessed post the introduction of the HRA
2. Excludes data for local authorities who did not provide a H-CLIC return. England and regional totals include estimates for authorities with partial returns. See tables for more quarter-specific information.
3. No fixed abode was reported to have been overused by some authorities who are aware that living with friends or family was a more appropriate field selection
4. Includes other, unknown, caravan / houseboat, student accommodation, looked after children placement, tied accommodation, Armed Forces accommodation
5. Households can have multiple support needs, so the total number of support needs is not equal to the number of households with support needs
6. Includes fire / flood / other emergency, left HM forces, mortgage repossession, property disrepair, other or not known
7. Breakdowns on household characteristics (e.g. support needs, age, etc.) have been suppressed for local authorities with fewer than 5 applicable households
8. Not known refers to missing information

- Values suppressed to prevent disclosure of sensitive information

.. incomplete or no data received from the local authority
