

April 2012 Neighbourhood Audits

Are you satisfied with the area as a place to live	Are you satisfied with the services to keep the area clean and tidy
98%	96%
You Said	We did
53% of residents had no issues.	Some comments include "ben here 56 years still happy, " "Not lived her long but upto now perfect" ,and "very clean area".
35% of residents said dog fouling was an issue, identified areas being Ashurst Road, Studland Road, Mullacre Road for fouling and Dogs roaming around Hollycroft Avenue, big problem on Ravenscarr Rd / Staithes Rd.	Our Street Cleaning team have been advised of these areas and will attend within the next 7 days. Dog warden asked to look at Hollycroft Avenue. Wardens are now able to issue fixed penalty notices and will visit areas.
12% of residents told us untidy gardens were a problem across the estate.	Housing Officers are starting the next round of garden inspections and have been made aware of addresses
10.6% of residents said litter across the estate was a problem, identified areas being Newhey Road, Ashurst Rd, Studland Road, and Barnclose Road	The Trust and MCC hold regular meetings to discuss and target areas, information has been passed to them. WP Street cleaning team will also target areas.
7% of residents though Anti-Social behaviour is a problem	Our community safety team have been advised of raised issues.
