

CITY CAREERS

Are you currently not in education, training or employment?

City Careers is a new City in the Community (CITC) initiative to get young people (16-24) from Greater Manchester into employment or apprenticeships.

During the 8-week programme, young people will have the opportunity to gain various qualifications and progress into employment or an apprenticeship.

When: Courses running throughout 2021

Where: Etihad Campus and online learning

For more information please contact Chris Johnston on
