FEEDBACK**

## WE WANT YOUR **FEEDBACK**

Customer feedback is really important to us. We want to hear and understand from our customers what's working well, what we could do better and how we can improve our services. We know we don't get things right all of the time. When things do go wrong, we need to know about it. If you're unhappy with any part of our services, please tell us so we can make things right.

We also like customers to share positive experiences, as you motivate and inspire us to deliver even better services. Your constructive and positive feedback helps us to better serve you and exceed your expectations.

If you need this guide translated or in a more accessible format, email [inclusionanddiversity@wchg.org.uk](mailto:inclusionanddiversity@wchg.org.uk) or call 0800 633 5500.

**Housing**  
Ombudsman Service

We adhere to, and follow, the Housing Ombudsman Complaints Handling Code, updated in April 2024. We'll continue to roll out a training programme for managers to ensure compliance with the Code. This helps encourage a positive complaint handling culture that welcomes, values and listens to resident feedback to make sure we learn from complaints and improve our services. Every year the Complaint Handling Code Self-Assessment is updated by our Customer Feedback team to reflect our performance. It's also shared with our customers on our website and reviewed by our Senior Management team and our Board.

## FEEDBACK AND PRAISE

We highly value your feedback and suggestions on how to improve our services. Your opinions are important to us, and we carefully record and consider all feedback during our policy and services review process. If any changes are put in place based on your feedback, we'll notify you in writing.

We aim to deliver exceptional services, and we love to hear from you when we have. Whenever we receive praise and positive feedback, we acknowledge and appreciate the people involved. We also record the information to make sure it contributes to our ongoing efforts to improve our services.

Please let us know your feedback and praise by contacting us in one of the ways listed on page 3.

## CAN I GET INVOLVED TO HELP IMPROVE SERVICES?

There are several ways you can get involved to help us improve the services we deliver to you and other customers. You can complete surveys, join residents' panels, attend meetings and help monitor our services to check we're doing what we say we're doing.
