

COME TOGETHER TO MAKE A DIFFERENCE

Do you want to help make our community a great place to live?

Do you want to have a say in how we invest in homes and the local area?

Last year nearly 200 residents had their say and made a difference. Here are 8 ways you can get involved:

1 Are there ways we can make our website better? We want to hear from you. Join our new **Project Group** to improve our website and you'll get a £50 gift voucher as a token of our thanks.

Time commitment: 4 hours every month, for 6 months.

3 Check our surveys, leaflets and letters are easy to read and understand by joining our **Readers' Group**.

Time commitment: 1 hour every month.

2 Our **Customer Experience Committee** advises Board on how we deliver services, and invest in homes and the local area. They also check we meet our performance targets.

COME TOGETHER TO MAKE A DIFFERENCE

Whatever you've got to say and whatever time you can share with us, you **will** make a difference.

4 Do you live in one of our high-rise buildings? Meet the people working on building safety, as well as talk about managing communal spaces. If you want to have your say, pop along to the next **High-Rise Forum** meeting.

Time commitment:
2 hours every 3 months.

5 **Service Inspectors** check communal areas in buildings, grounds, gardens and empty properties. We want to make sure we're meeting the standards residents expect.

Time commitment:
You can do the monthly checks when they suit you.

6 Whatever your age, join in with our community and **volunteer**. There are lots of groups looking for help, let us know what you're interested in.

Time commitment:
2 or 3 hours a week, depending on the group.

7 To help us deliver our services as best as we can, they're reviewed by the resident-led **Scrutiny Group**. They recommend ways we can make changes to meet residents' expectations and needs.

Time commitment:
4 hours every month.

8 The **Value for Money Group** helps us check we get good quality services that are worth the money we pay for them.

Time commitment:
2 to 5 hours, 3 times a year.

“**Wythenshawe Community Housing Group** do so much for the community, it's a shame more residents don't get involved.”

Angela, a resident.

“I've made loads of friends through volunteering and met new, interesting people through the groups I work with.”

David, a volunteer.

We want to hear from **everyone**

To do a good job for everyone, we need to hear everyone's thoughts and ideas. We welcome residents who are under-represented, including residents who are younger, have children, a disability, are part of the Black, Asian and Minoritized Ethnic and LGBTQ+ communities.

Contact our friendly Resident Involvement team. They'll chat through what you're interested in and answer any questions.
