Welcome

All housing associations invest in communities. Most do this through the development of good quality affordable homes, some go further and develop community programmes which help build resilient communities.

Wythenshawe Community Housing Group, based in South Manchester, is a community landlord that goes further. With 14,000 homes and 20,000 tenants, our vision is to create a community where people choose to live and work.

The Group has a strong track record in successful community investment and partnership working. A recent independent analysis showed that our investments have generated a five-fold social return for the community of Wythenshawe.

This brochure offers an insight into the work we do in our communities and specifically focuses on Benchill Community Centre, which is owned by Wythenshawe Community Housing Group and managed by a committee.

The centre is a much valued facility for people of all ages and abilities and provides a whole range of activities for the local people of Wythenshawe.

We welcome conversations with partners, old and new, and anyone looking to invest in Wythenshawe.

Out and About: Our Community Centres

Benchill Community Centre

Out and About: Our Community Centres

Community Centres are at the heart of our neighbourhoods. Places to meet, volunteer, learn new skills, play sport, gain qualifications, celebrate with friends and family or just have a bite to eat.

Wythenshawe Community Housing Group supports the delivery of community services through community centres in Benchill and Woodhouse Park. The centres are

funded through a combination of grant funding and facilities hire.

The main funders are:

Benchill Community Centre

Benchill Community Centre is a fantastic hub of activities for all ages and local people in Wythenshawe. The building is owned by Wythenshawe Community Housing Group and managed by a committee of local people. Its facilities include:

- After School and Holiday provision for children aged 6 to 14 years

- IT facilities for beginners, elderly residents and people wanting to gain qualifications to improve employment opportunities
- “Talk English” – a programme to enable people to learn English at pre-entry level
- Community Arts programme for local disabled residents to socialise with other local residents
