Community Housing Group

# It's the little things that mean the most.

## Executive Director of Housing £90k + car allowance, contributory pension scheme, and wider benefits package • Wythenshawe

Wythenshawe Community Housing Group, comprising Willow Park Housing Trust and Parkway Green Housing Trust, was formed on 1st April 2013. With a combined stock of almost 14,000 properties and turnover of around £60m per year, we provide homes to more than 20,000 people across a large area of south Manchester. Our vision is to 'create a community where people choose to live and work, having pride in their homes and services' – and our progress over the first two years of the Group structure suggests that we're firmly on the right track. We've achieved significant operating efficiencies, while increasing our positive impact on the community, and expanding our asset base. So it's a great time to join us.

As Executive Director of Housing, you'll take a strategic lead on housing operations across the Group and ensure we continue to deliver an exceptional service to tenants and other customers. You'll work with colleagues to ensure that we manage our housing assets pro-actively, and that we're investing in ways which sustain demand and deliver great customer satisfaction. And you'll oversee our housing-focused subsidiaries, leading and developing the team to deliver excellent customer and commercial outcomes. Your professional profile needs to be exceptional (CIHCM, a degree or equivalent with experience at executive level). A passion for housing and delivering high quality services is a must, as is a track record of

building partnerships and improving stakeholder engagement. You also need to demonstrate experience of developing high-performing teams, leading major change programmes, integrating service delivery with top-level business objectives and developing best-in-class business systems.
